

IXAS CONSEIL is an Intellectual Property law firm based in Lyon, France. The firm was established in 1989 by Michel Gaucherand, and reshaped in 2005 when Martin P. Schmidt joined the firm as a managing partner.

IXAS CONSEIL is admitted to represent clients before the following offices : French National Intellectual Property Office (INPI), European Patent Office (EPO), Office for Harmonization in the Internal Market (OHIM), German Patent and Trademark Office (DPMA).

IXAS CONSEIL is an Intellectual Property “one stop shop” for France, Germany and Europe. This saves our clients’ money by avoiding double representation in France and Germany.

Through its network of foreign associates, IXAS CONSEIL can represent its clients everywhere in the world. All our consultants are fluent in English and most have a second foreign language. We are able to work directly in English, French, and German, for patent drafting, legal counselling and negotiations as well as in oral proceedings.

IXAS CONSEIL provides a synthesis of legal accuracy and strategic thinking. IP assets are viewed as business assets which need, directly or indirectly, to provide a competitive advantage to its owner, and to create value.
